

In response to your letter of September 15, 2006 regarding Narragansett Bay PAC's 12 Day Pre-Primary Report (7/1/06 - 8/23/06), we would like to assure you that the excess contribution which you noted in your letter has been returned. By now you should have received a copy of the letter and the check which was returned to the Association of Trial Lawyers of America PAC in the amount of \$5,000.00 dated September 26, 2006.

To clarify our fundraising expenditures for Catering (fundraising) and Consulting Fees (fundraising) We have not made any expenditures on behalf of a specifically identified federal candidate. All our fundraising to this point has been to benefit the Narragansett Bay PAC. In the future, as we discussed, I will attempt to disclose this on the report.

Thank you for your continued assistance and guidance.
